

CVR NOW OFFERS NMVTIS INQUIRY SERVICE

CVR is now integrated with the **National Motor Vehicle Title Information System (NMVTIS)** to provide you with NMVTIS Vehicle History Reports through your existing CVR account.

National Motor Vehicle Title Information System (NMVTIS) Inquiry through CVR quickly provides a concise report of:

- > Title history
- > Odometer history
- > Branding history
- > Total loss and salvage information

NMVTIS vehicle history reports from CVR help provide confidence that the vehicles you are appraising will be less likely to cause you liability and headaches down the road.

Your dealership can run NMVTIS inquiries prior to:

- > Appraising potential trade-ins
- > Bidding on an auction vehicle
- > Committing to purchase wholesale vehicles

CVR's NMVTIS Inquiry Service is easy to sign up for, easy to use, low cost, and requires no separate billing. Access the service through any internet connected device, or through your existing CVR application.

About NMVTIS

NMVTIS is the only vehicle history database in the nation to which all state motor vehicle agencies, insurance carriers, junk and salvage yards, dismantlers and metal recyclers are required by federal law to report information.
